O R D E R

On January 2, 1997, Frances Turner Smith advised Commission Staff that Sandy Valley Water District ("Sandy Valley") was apparently in the process of correcting her water pressure problems. However, due to the fact that the problem has not been completely resolved, the hearing should not be cancelled but continued to a later date to give Sandy Valley enough time to complete the work. Good cause having been shown and the Commission being otherwise sufficiently advised, HEREBY ORDERS that the hearing scheduled in this matter for January 9, 1997 is continued until February 19, 1997, at 10:00 a.m., Eastern Standard Time, in Hearing Room 1 of the Commission's offices at 730 Schenkel Lane, Frankfort, Kentucky.

Done at Frankfort, Kentucky, this 6th day of January, 1997.
